

# ARTIFY4KIDS

## Dec-Jan Newsletter

### Monthly Update

In the last 2 months, we've been hard at work assembling and sending out our Artify art boxes! With the art supplies that have been donated to us by various organizations and individuals, we've been able to provide as a variety of quality supplies to as many kids as possible. If you're looking to support this program, consider donating to our GoFundMe! Additionally, we've introduced new positions for Artify members to join: off-site and on-site teams. To learn more and apply, check out our website!

### Events

In December and January, we've continued our programs at CHONC, FSH, and Sunday Friends. Additionally, we've partnered with a new organization, West Valley Community services, to bring our art programs to their community. Our chapters have also been organizing incredible events and fundraises!

### Volunteer of the Month

Rohit A.

### Misc.

In December, we had the honor of speaking with a journalist from the VoyageDallas newspaper, who wrote an article on Artify4Kids and how we started. Check it out [here](#)!
